SOCIUS®
INGREDIENTS

Founded in 2000, Socius Ingredients began with a focus on dairy proteins and has gradually expanded its expertise to include a broader range of proteins, hydrocolloids, and natural colors. Our ingredient portfolio supports a variety of sectors, including cheese, dairy, beverages, dressings, sauces, and bakery.

With a practical approach and expert technical knowledge we aim to offer ingredients that bring real value to the products our customers create.

Innovate with us at our Technical Center

R & D **FORMULATION** **OPTIMIZATION** **PROTOTYPING**

At Socius Ingredients, our cutting-edge Technical Center combines advanced lab and pilot-scale facilities with a specialized R&D team. We help customers optimize formulations, develop prototypes, and reformulate products to meet regulatory changes or consumer preferences, providing expert support at every stage before commercial production.
